

KM Conference 2019
26 - 29 June 2019, Warsaw University of Life Sciences (SGGW), Warsaw, Poland
Themes: Knowledge Management, Learning, Information Technology

<http://iiakm.org/conference/>

Call for Papers/Abstracts

We would like to invite you to participate in Knowledge Management (KM) Conference 2019, which will be held in Warsaw, Poland on June 26 - 29, 2019, hosted by the Faculty of Economic Sciences, Warsaw University of Life Sciences (SGGW). Warsaw is an alpha global city and one of the most liveable cities in Central and Eastern Europe. Warsaw's picturesque Old Town is designated a UNESCO World Heritage Site, and represents nearly every European architectural style and historical period. The KM Conference 2019 will provide a showcase for the latest research in practice and pedagogical topics that focus on knowledge management, learning, and information technology, as well as how they are used to improve and sustain quality in organizations. You are invited to share your research on the conference theme or other relevant KM research with the scholars and professionals attending the KM2019 International Conference. Papers covering related academic and technical issues are also encouraged. Submit a paper/abstract at: <http://iiakm.org/conference/>

Important Dates/Deadlines

- Submission deadline of complete papers or extended abstracts: **February 1, 2019**
- Reviews and responses to authors: **March 1, 2019**
- Submission of the final version of accepted papers or extended abstracts: **March 28, 2019**

What to Submit

- Full pedagogy/research papers (including work in progress or doctoral dissertation research)
- Extended abstracts or short papers
- Panels

All submissions are double-blind refereed. See submission requirements at <http://www.iiakm.org/conference/> → "Author's Guidelines" High-marked papers will be fast-tracked for publication in the *Online Journal of Applied Knowledge Management* (OJAKM - ISSN 2325-4688). OJAKM is the official publication of the International Institute for Applied Knowledge Management <http://www.iiakm.org/ojakm/>. Other papers and abstracts will be published in the Conference Proceedings.

Suggested Topics

KM Conference invites empirical and conceptual papers dealing with theoretical and practical aspects of knowledge management, including, but not limited to:

- Adaptive systems
- Architectures and design of KM systems
- Biometrics, Bioinformatics and Healthcare
